(South Australian health fund so practical for South Australian practitioners only to register)

Each fund has its own policy regarding the issuing of Provider Numbers.

You will need to contact BUPA*, Australian Unity (Form enclosed) and Health Partners* (South Australian members only) to register for a provider number.

The other funds use the STAA Membership Number as their Provider Number.

For rebates to be given to your clients, you will need to issue an official receipt showing your Full Name, Clinic Address, Phone Number, and STAA Membership Number.

Provider Numbers are also required for BUPA and Health Partners*

It is necessary for Full Members to sign an MBF Provider Agreement/ Declaration and Australian Unity registration form contained in your membership kit or from the STAA National Office.
